RAVENA

A RASCH GROUP COMPANY

A circular wreath of golden-brown leaves and berries is centered on a textured, aged, light brown background. The wreath is composed of several thin, greenish-brown stems that form a circle. The leaves are elongated, pointed, and have a mottled golden-brown color with some darker spots, suggesting they are dried or autumnal. Small, round, dark berries are interspersed among the leaves. The background has a cracked, leather-like texture with subtle variations in tone and some faint, darker spots.
