The image shows several wooden floor planks laid out on a light-colored surface. The planks are arranged in a staggered pattern, with some overlapping others. The wood has a natural, light brown color with prominent vertical grain patterns and several knots. The texture appears slightly rough and unfinished. The planks are rectangular and vary in length and width. The background is a plain, light-colored surface, possibly a table or a workbench.

A large rectangular sample of wood-grain laminate flooring is shown against a light blue background. The sample is composed of several vertical planks with a realistic wood grain pattern, including knots and varying shades of brown and tan. The planks are arranged in a staggered pattern, with some overlapping others. The texture appears smooth and slightly glossy.
