The central area of the room contains a bed with a dark grey headboard, white bedding, and a grey fringed throw blanket. On either side of the bed are minimalist bedside tables. The left table holds a modern lamp with two adjustable shades, a small bowl, and a stack of books. The right table holds a vase with dried flowers and two small white decorative objects. The background wall is composed of dark grey panels with vertical slats, and the ceiling features a recessed area with linear lighting and two circular recessed lights.

On the right side of the image, there is a built-in wooden shelving unit. It includes open shelves holding books and a closed cabinet section below. The wood has a light, natural finish.

On the left side of the image, there is a dark grey wall with a recessed shelf area containing a few decorative items. The wall continues to the ceiling, which is part of the recessed lighting structure.

12007 Cherry Maple

"Upgrade your living space with laminate flooring that is resistant to stains, scratches, and wear."

12008 Natural Oak

"Create a warm and inviting atmosphere with the natural beauty of laminate flooring."
